# SUPREME *Affiliate* MARKETING

# Why & What is Affiliate Marketing

**Affiliate Marketing** is where you (the affiliate) generate sales for some other product vendor(s) and in exchange they pay you a commission for each sale that you make.

Some affiliate programs are “continuity” programs in that they require that the customer pay a monthly fee for membership or for use of that product.

## **Advantages:**

- Super easy to promote third party products and keep commissions (50%-100%)
- Just need to drive traffic
- No headache of product creation
- No technical knowledge required
- Can lead to “high ticket commissions”
